RE: "#PuertoRicoNoEstáApagao-Molusco" Initiative

To who it may concern,

Receive a warm greeting from Molusco, LLC Staff. For the past 5 years our Company has been dedicated to the development and production of events, theater, movie among other creative events.

It is well known that you learn about the character and courage of the people while they endure difficult times. Precisely because we know the heart of our people and because of the pride and love that we have for our Island is that we know that above all situations we might endure, "**Nuestra luz es más fuerte, #PuertoRicoNoEstáApaga'o**", in other words "Our Light is Stronger, Puerto Rico Is Not Spiritless"

"**#PuertoRicoNoEstáApaga'o**" is not an entity, association, board nor even a committee. This is a totally organized movement with clear intent of creating a group of Puerto Rican businessmen under the leadership of Molusco, LLC, AD Vice Puerto Rico Inc. and Ticketera. We are working with the crisis that Puerto Rico is experiencing the same as everyone else. That is why with the greatest enthusiasm decided to unite our resources to help in the recovery of our Island. Our goal is to bring assistance where is needed the most.

To reach this goal we will start working as a group on the following initiatives:

1. **Molusco Está Apaga'o USA Tour** – We will be presenting our Stand-Up Comedy Show thru out different cities of the United States. One hundred percent, 100%, of the profits will be destine to "Unidos por Puerto Rico" project of the First Lady of Puerto Rico, Beatriz Roselló.
2. **USA Tour Donations Center** – In each city (Hartford, CT; Reading, PA; Kissimmee, FL y Tampa, FL) we will be receiving donations of primary need supplies. These donations will be packed and sent in shipping containers to Puerto Rico.

3. **Metallic Donations** – As part of the initiative we have created an account on the digital platform **You Caring** thru wish people can make donations to help finance the transport, shipping and distribution of the donations gathered in **#PuertoRicoNoEstaApaga'o**.

There final goal of our initiative is to put at the disposition of our Island our resources to channel and organize the assistance to where is really needed, we are sure that with support we will be able to accomplish it.

We are certain that additional needs and challenges will arise once the process is in course, for what we are in our best disposition to resolve. Hopping we can count with your usual support for needy causes.

Certainly, is not going to be easy, it will take time and effort to be able to make a difference, but, we have accepted the challenge and decided to take action. We are certain that with united efforts our Island will recover. "**NUESTRA LUZ ES MÁS FUERTE! #PUERTORICONOESTÁAPAGA'O**".
